POSITIVE PROFIT ALERT

This announcement is made by Common Splendor International Health Industry Group Limited (the “**Company**”, together with its subsidiaries, collectively the “**Group**”) pursuant to Rule 13.09(2)(a) of the Listing Rules and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the SFO.

The board of directors of the Company (the “**Board**”) wishes to inform shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the consolidated management accounts of the Group for the six months ended 30 June 2016 (the “**Period**”) and information currently available to the Board, it is expected that the Group would record a significant increase of more than 100% in its consolidated net profit for the Period as compared to the same period in previous year. Such increase was mainly attributable to (a) a gain on disposal of interests in an associate as disclosed in the announcement of the Company on 23 March 2016; (b) an increase in loan interest income arising from the increase in loan interest rates; and (c) an increase in revenue of the precision life healthcare services provided by the Life Clubs.

The information contained in this announcement is based on a preliminary review and analysis made by the Board of the unaudited consolidated management accounts of the Group and the information available to the Board as of the date of this announcement, which have not been audited or reviewed by the auditors of the Company. The Company is in the process of finalising the consolidated financial results of the Group for the Period. Details of the Group's financial information for the Period will be disclosed in its interim results announcement to be published on 31 August 2016.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company and, in case of doubt, to seek independent advice from appropriate advisers.
